### **HARBOUR NIGHTS: DISCOVERIES** ***New Indoor Series to Liven Up Spring & Fall***

---

**For eight years the Harbour Nights Concert Series has entertained Owen Sound residents and visitors alike with the finest local and visiting musical acts. The popular outdoor concert series is expanding with an additional six indoor concerts beginning with The Black Family on March 28.**

The *Harbour Nights: Discoveries* series features some of the area's freshest talent, including those on the verge of a breakthrough in the entertainment field, and those who deserve to be. No group exemplifies family values and dedication to a musical cause better than the marvelous Black Family of Markdale, the first in the Spring series of indoor concerts.

The performance by the Black Family on March 28 will be followed by the acoustic duo Beckon on April 25 and another emerging performer on May 30. All concerts are on Sunday evenings starting at 7:00, at the Royal Canadian Legion Branch #6 Auditorium, 1450 2<sup>nd</sup> Avenue West. Admission is free – donations are encouraged.

Harbour Nights is presented by TD Canada Trust, the City of Owen Sound, Bayshore Broadcasting and many community-minded sponsors.
